

EAST CAMPUS

T.A. Wilson
Great Gallery

► Explore more than 50 historic aircraft, tracing the first century of human flight. Learn how early rocketry led to space travel in the Apollo exhibit.

William E. Boeing
Red Barn

► Step into the birthplace of The Boeing Company in its original manufacturing plant.

J. Elroy McCaw
Personal Courage Wing

► Witness the stories of courage and dedication of the people involved in WWI and WWII air combat.

WEST CAMPUS

Charles Simonyi
Space Gallery

► Board the Space Shuttle Trainer, discover how astronauts learned to live and work in space and find out what's next in space exploration.

Aviation Pavilion

► 19 rare and unique commercial and military aircraft from the 1930s to the present.

Vietnam Veterans Memorial Park

► Reflect on the sacrifices of Vietnam War veterans with the Museum's B-52G Stratofortress *Midnight Express* as the centerpiece.

Vietnam Veterans Memorial Park (B-52)

WEST CAMPUS

HELPFUL HINT:
We recommend driving to the Park to visit before or after you tour the Museum.

Code of Conduct

The Museum of Flight is dedicated to providing a welcoming experience for all visitors, staff, volunteers, learners and community members. We respect, celebrate and honor all people and the unique perspective they bring to the Museum community.

Land Acknowledgment

We acknowledge that The Museum of Flight is on the traditional land of the Duwamish—past, present and future. We honor with gratitude the land itself, the Coast Salish people, and their place in the ongoing story of aerospace.

Photography Notice

Photography is permitted in the galleries unless otherwise noted. The use of flash photography in flash-restricted areas, selfie sticks, video recording of Museum programs and commercial photography is prohibited.
